

I would love to eat here
and enjoy a great time
with friends. Can you help
by providing more
vegan options?

THANKS!

Hey, thanks for considering
more vegan options.
Here are some tips to help:

- Use a non-animal based milk.
- Hold the cheese, please!
- Use a buttery spread such as Earth Balance.
- Add a few tofu, tempeh or seitan based entrées.
- Add beans or tofu to salads to make it a hearty meal.
- Include vegan info in staff training.

Thanks again!
